7th WORKSHOP
SPECIFIC METHODS FOR FOOD SAFETY AND QUALITY
September 22, 2021, BELGRADE

Aim of the Workshop

The 7th Workshop **SPECIFIC METHODS FOR FOOD SAFETY AND QUALITY** is organized as the satellite event to the 15th International Conference on Fundamental and Applied Aspects of Physical Chemistry „**PHYSICAL CHEMISTRY 2021**“. The aim of the event is to bring together scientists in order to exchange their expertise, to improve scientific co-operation and to introduce the specific advanced and novel methods for food quality control.

7th WORKSHOP

SPECIFIC METHODS FOR FOOD SAFETY AND QUALITY

September 22, 2021, B E L G R A D E

Workshop Program

The Workshop will be held online via Zoom meeting. The Workshop will include lectures delivered by foreign and national scientists in the form of oral and poster presentations.

Topics

- A. Specific methods in food quality control
- B. Food safety
- C. Functional food

Oral presentation

Lectures arranged for the oral presentations should be prepared with the MS PowerPoint.

Poster presentation

The posters will be displayed on the web page of the Conference at:
<http://workshop-food-safety-and-quality.biz.ht/index.php/presentations>

Tentative list of Invited Lectures:

Invited lecturers:

Cecilia Cristea (**Romania**) - University of Medicine and Pharmacy, Cluj-Napoca

McMillan Daniel (**Germany**) - AB Sciex

Giulia Selvolini (**Italy**) - University of Florence, Florence

Goran Gajski (**Croatia**) - Institute for Medical Research and Occupational Health, Mutagenesis Unit

Klemen Bohinc (**Slovenia**) - Faculty of Health Sciences, University of Ljubljana

Mojca Bavcon Kralj (**Slovenia**) - Faculty of Health Sciences, University of Ljubljana

Ana-Marija Domijan (**Croatia**) - Faculty of Pharmacy and Biochemistry, University of Zagreb

Vesna Gojković Cvjetković (**Bosnia and Herzegovina**) - Faculty of Technology Zvornik, University of East Sarajevo

Kristina Radić (**Croatia**) - Faculty of Pharmacy and Biochemistry, University of Zagreb

Contributed papers

The papers will be divided into oral presentations and posters. The Scientific Committee retains the option of deciding on the presentation form (*oral or poster*) based on the number of registered participants.

The papers should be submitted electronically by e-mail (food_vin@vin.bg.ac.rs) before **July 15, 2021**. For the papers received after that deadline the publication in the Workshop Book of Proceedings cannot be guaranteed. Invited lectures will be printed in full-length (**eight pages** maximum) and the papers of other participants in **strict four-pages**.

All contributed papers accepted for the Conference, will be published in the Conference Proceedings, which will be distributed to participants only in electronic form.

For complete information about paper preparation please see the attachment **Instruction for authors** (<http://workshop-food-safety-and-quality.biz.ht/index.php/presentations-and-publication>)

Duration of presentation

Plenary lecture: 35 minutes (30 minutes presentation followed by 5 minutes of discussion)
Section lectures: 20 minutes (15 minutes presentation followed by 5 minutes of discussion)
Oral presentations: 15 minutes (10 minutes presentation followed by 5 minutes of discussion)
Poster presentations: posters prepared in the PDF format (PPT presentation converted into PDF) should be sent to food_vin@vin.bg.ac.rs

Language

The official language of the Conference will be English.

Publications

All papers at the Workshop will be published in the **BOOK OF PROCEEDINGS**.

Registration fee

There is no registration fee for this event.
